Rafid Khan — Web Development Midterm Presentation

Threads of Identity

FC Barcelona Kits Archive (2014–2026)

CONCEPT

- A visual archive of FC Barcelona jerseys from 2014/15 to 2025/26 season

- Each season includes:
  - Home kit
  - Away kit
  - Third / Fourth kit

- Each page includes historical context for each season

- Combine football history with visual design

WEBSITE STRUCTURE

- Homepage:
  - Hero Section
  - Grid of Seasons

- Season Pages (2014 - 2026):
  - Jersey gallery (Home, Away, Third/Fourth)
  - Historical context
  - Navigation between seasons

- Total pages:
  - 12 season pages + homepage

CODE SNIPPET - CSS GRID & RESPONSIVE DESIGN

```
.seasons{
display:grid;
grid-template-columns:repeat(4,1fr);
gap:35px;
}

@media (max-width:768px){
.seasons{
grid-template-columns:repeat(2,1fr);
}
}
```

- Used **CSS Grid** to organize the seasons layout
- Added a **media query** for mobile responsiveness
- Layout changes from **4 columns** → **2 columns** on smaller screens

RESPONSIVE DESIGN

- Implemented using a **media query at 768px**
- Layout changes from **4 columns → 2 columns**
- Optimized for **mobile screens**
- Improves readability and user experience
- **Live Demo → Resize screen:**

  file:///Users/rafidkhan/Desktop/webdev/rafidkhan_webdev_spring26/Midterm/index.html

NEXT STEPS

- Add a **timeline feature** for seasons
- Include **players wearing the jerseys**
- Add more **detailed kit descriptions**
- Improve **mobile navigation (hamburger menu)**
- Add **animations and interactivity**

THANK YOU

Any questions?
